

The Villas at Shadow Bay

MAY 2019 NEWSLETTER

Hurricane Season

Hurricane season begins on June 1st and continues through the end of November. The National Oceanic and Atmospheric Administration predicts between 9 to 15 named storms this year. Therefore, please take the time now to prepare your home and your family for hurricane season. Please see the pages below for additional information about hurricane preparedness provided by HIG Insurance (pages 8-11).

Vehicle Break-Ins

There has been a recent increase in the number of car break-ins in the area. Therefore, we urge everyone to be alert and report any suspicious activity to the City of Kissimmee Police Department at 407-847-0176.

Reporting suspicious activity will help the community. We want our community to be a safe and peaceful place, but it will take a group effort to make this happen.

Please take preventative measures by making sure that you lock your vehicles and that you do not leave any valuables in your car overnight. The vast majority of break-ins involve vehicles that are unlocked.

If you have any questions or concerns, please contact the management office.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.villasatshadowbay.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Board of Directors

President: Fred Lewis
Treasurer/Secretary: Rebecca Kogele
Director: Rosie Furtado
Director: Patricia Sobotka

Board of Directors' Meetings

Held on the third Tuesday of every month at 7:00 PM at DWD Professional Management's office. Please RSVP if you would like to attend by contacting DWD.

Use of Gas and Charcoal Portable Grills

Please be advised that the use of gas and charcoal grills in multi-family housing such as Villas is strictly regulated by the County and the Association. **These grills may not be used in the units, in the courtyards of the buildings, in the parking areas, in the pool area, or on any of the porches or patios under any circumstances.**

Their use is restricted to the open areas of the Association, at least 10 feet away from the buildings or from any other flammable structure.

Finally, gas grills may not be stored within 10 feet of any building. Your cooperation regarding this matter for the safety of the community is greatly appreciated.

Porches and Patios

Porches and Patios for our residents are considered limited common areas, owned by the Association. Since these areas are Association property they are under the control of, and maintained by, the Association. However, even though it is a common area, a limited common area is limited to the use of the residents of the unit to which it is attached or next to.

The porches and patios are pressure washed annually. If your porch or patio becomes dirty due to heavy use by you or your tenant, it is up to you to clean it in between

the annual washings. All upstairs porches and patios will be painted every 5-10 years or sooner if the Association deems it necessary to protect the wood.

Please be aware that the Association only allows one table, two chairs and up to four **small** potted plants in a porch or patio area. These restrictions apply to all porches and patios whether they are located upstairs or downstairs.

The Association has noticed that some of these areas have been decorated by the owners or tenants. Also, some of the owners or tenants have started to enclose their downstairs areas. This is not allowed. These areas are Association property and the Association will enforce their rights. We are asking that you remove all decorations, excess plants, furniture, gates, fence panels, or any other items not mentioned above from these areas. The Association will be inspecting these areas to ensure compliance. If these items are not removed, the Association will remove and discard these items for you. Thank you for your cooperation and understanding with regards to this issue. If you have any questions or concerns, please contact the management office.

Repairing Cars in the Community is Prohibited

We have received reports that residents are repairing cars in the parking areas on the weekends. **We must inform all new owners and tenants that this activity is not permitted in**

the Villas at Shadow Bay. Many new residents may not understand that the parking lots are Association property and are governed by the Declaration of Condominium. The Association asks that all new residents visit the website, www.villasatshadowbay.com and review the rules and regulations.

Also, please be advised that the parking lots are for vehicle parking only and they are not to be used as barbecue areas, play areas or gathering areas. These activities are dangerous in this area as some drivers may not see a small child or a barbecue grill in the parking area until it is too late. Also, sitting in lawn chairs in the parking lot and listening to your car stereo is very disturbing for your neighbors. Thank you for your cooperation regarding these issues.

New Website Requirements - Log-ins Required

In accordance with Florida Statute, as of January 1, 2019, all Florida condominium associations with 150 or more units must post digital copies of certain official records of the Association on-line. In addition, the Association must provide its members with a secure member-only section on their website. This secure area requires a log-in. Therefore, please go to the community website at www.villasatshadowbay.com and click on "Log in|Register." Once we receive your registration

request, we will provide you with access to this area of the website. If you have any questions regarding the registration process, please contact the management office.

Noise Complaints

Please remember that the rules and regulations of the community require residents to keep noises and music to a minimum between 10:00 PM – 9:00 AM each day. Noise and vibration disturbances of any type are expressly prohibited by Article 10.1 and 10.4(c) of the Declaration of Condominium. We ask all residents to be considerate of their neighbors during this time period.

If the noises made by neighbors can only be heard by the residents within the building, then the Association considers this a civil matter, and the residents of the building must work out these issues without involving the Association. However, if the noises disturb residents outside of the building as well as the residents within the building, please contact the management office to report the problem. Thank you for your cooperation in this matter.

Dumpster Information

Please be advised that the dumpsters are only for the use of owners and their tenants. The dumpsters throughout the community are there for normal household waste. The dumpsters may not be used for the disposal of construction materials such as cabinets, tile, or paint. They are

also not for the dumping of furniture of any kind. It has come to the Board's attention that residents are using the dumpsters for these types of materials and this is strictly prohibited. If you see anyone dumping these types of materials, please contact the management office immediately.

Anyone found using the dumpsters for prohibited material will be charged for the cost of removing and transporting the material to the County dump. Your cooperation with regard to this matter is greatly appreciated. Thank you.

Towing Company

Please be advised that our towing company, **Universal Towing and Recovery**, has moved from their previous location. The towing company's contact information is as follows: **Universal Towing and Recovery, 407-816-0102, 206 6th Street, Lot 300 Orlando, Florida 32824.**

Procedure for Reporting Maintenance Issues

If you are renting your unit in the community, please be aware that **all maintenance issues should first be reported to your landlord or property management company.** Your landlord or property management representative should then contact the community management office to make arrangements for the repair.

If you are an owner in the community, please contact the community management office to report any maintenance concerns or issues. We will help you determine if the repair is your responsibility to correct or if it is the responsibility of the Association.

Finally, please remember that the community management office is not open over the weekend or during national holidays. If you have a maintenance emergency during a weekend or during the Thanksgiving or Christmas holidays, you may leave a message and the community management staff will contact you on the next business day.

By following these guidelines, you will greatly assist the staff in providing more efficient service. Thank you for your cooperation in this matter.

Parking Permits and Parking Regulations

If your vehicle does not have a proper parking permit for our community, you run the risk of your car being towed. Since November 1, 2011, all vehicles without a proper parking permit or a visitor's pass are to be towed **without warning** from the parking lots **at the owner's expense.**

Per the rules of your community, there are only two (2) parking spots per unit. Visitors are to use the designated spaces provided and they **MUST** place a visitor's

pass on the rearview mirror. Visitors may park without a permit from 6 AM until 11 PM. Overnight visitors or any visitors staying after 11 PM must have the visitor's permit on their rearview mirror or they will be subject to towing. Visitor's permits may only be used by someone staying overnight, and not for more than a week. This means 7 days total, whether or not they are 7 consecutive days. Residents may NOT use a visitor's permit as a third, permanent parking permit.

If you have more than two cars, you may find additional parking by asking one of your neighbors if they have another parking spot available. Some owners only have one car and they may "donate" a spot to you. These owners are under no obligation to do so. If an owner would like to donate one of their parking spaces to you, we must have their permission in writing. Please contact our office if you need more information. Please be aware that if you do not find another owner to donate a parking spot to you, you must remove the vehicle from the community's parking lot or be subject to towing.

All owners who rent their units must inform their tenants of the requirement to have these parking permits **BEFORE** the tenants move into the unit. Also, if you purchase a new vehicle, please use your visitor's permit temporarily until you can make arrangements with the management company to obtain a new parking permit. Parking permits are assigned to specific

vehicles. **Therefore, do not transfer parking stickers to other vehicles.** You must obtain a new parking sticker for a new vehicle.

Permits must be affixed to the driver's side front or rear window using the adhesive on the sticker. They may not be taped or altered in any way.

Please remember that it is your responsibility to obtain the proper permits for your vehicles. This provides a protection for all homeowners and tenants. We want to keep our parking lots available for only those vehicles that are authorized.

If you need a parking permit, you may obtain the parking permits from our management office. The address is 9419 Tradeport Drive, Orlando, FL 32827. You will need your driver's license (for each vehicle), your vehicle registration (for each vehicle), and a copy of your lease if you are renting. Parking permits are always free.

In addition, please be aware that your car may also be towed if you do not follow the parking regulations. **The towing company will be patrolling the parking lots looking for the following types of vehicles in violation of the parking regulations:**

- All commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows)
- Vehicles that do not have the proper parking permits. This includes cars

using **inactive parking permits** (permits that have been designated as inactive since they belong to a previous resident or a car that was sold by a current resident) and **permits that are not affixed to the vehicle correctly** (permits that appear copied, taped, or altered in any way or permits that are covered in any way so that the permit number is not visible).

- Boats, or any other recreational vehicles
- Trailers
- Vehicles without license plates or with expired license plates
- Vehicles that are parked on the grass
- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space)
- Vehicles parked in front of and/or blocking fire hydrants
- Clearly disabled and inoperable vehicles that have not moved for 72 hours or more

Finally, if your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation.** The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations. If you do not

have a parking permit or visitor's pass or if you violate any other parking rules, you will be towed **at your own expense and will not be reimbursed for any reason.** The towing company's contact information is as follows: Universal Towing and Recovery, 407-816-0102.

Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Several homeowners have contacted us to talk about the pool's hours of operation. They feel that they should be able to use the pool at hours that are more flexible. However, the Villas at Shadow Bay Condominium Association owns the pool, not the individual homeowners at Villas. Since the pool is not owned by individual homeowners, it is considered a commercial pool and the Association must abide by the State guidelines.

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a**

parent or guardian being present. This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Also, please be advised that there are cameras located at the pool. Management monitors these cameras daily and also performs inspections at night. The Association will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities. The police will also be called if you are found at the pool after the posted hours. This is considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents.

Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Association Payments and Banking Information

The Villas at Shadow Bay Condominium Association

currently has a monthly assessment of \$210.00 for the 2019 Budget year. Payments are due on the 1st of each month. Any payments received after the 15th of the month will incur a \$10.00 late fee. If there is a balance at the end of the month, the account will also accrue interest. There are several ways to make payments: by mail, online credit card/debit card/e-check, bill pay, or auto debit.

First, you may mail your payment to the address listed in your payment booklet (P.O. Box 22184, Tampa, FL 33622-2184). If you do, your payment will go directly to Center State Bank. The date the bank indicates that your payment was processed or "received" is the date that is electronically forwarded to the management company and that is recorded in your account history. Management does not control when the payment is processed by the bank. Therefore, management cannot change the date when the payment was received. Please allow several business days for these payments to be processed in order to avoid the application of late fees.

Second, you may make your payment on-line at <https://epay.centerstatebank.com//find>. You will need your payment booklet which includes your Management Company ID (DWDP), Association ID (004), and Homeowner Number (this is your account number). Please be advised that Center State will charge a fee for processing credit and debit card payments on-line. However, the fee is the bank's

processing fee, and does not go to the management company or to the Association.

Finally, you may set up direct debit with Center State by either following the instructions in your payment booklet. You will send the application form and a voided check directly to our office for processing (9419 Tradeport Drive, Orlando, FL 32827). Once we process your application, the bank will automatically withdraw your monthly assessment on the 5th of each month. If you have previously set-up automatic draft with Center State Bank, you do not need to send in a new application to continue this service.

However, if you would prefer not to make your payments through Center State Bank, you may either mail in or drop off your payments directly to **our office which is located at 9419 Tradeport Drive, Orlando, FL 32827**. We will take your payments with or without the coupon, and you will receive a receipt with the date the payment was received upon request. The management company's hours of operation are Monday through Friday, 9:00 AM to 5:00 PM. If you have any questions regarding these payment procedures, please feel free to contact us by phone at 407-251-2200 or by e-mail at info@dwdpm.com.

Monthly AC Filter Check Reminder

Please note that per your community's governing

documents, the air conditioning units are the property of the unit owner. This means the maintenance of these units is the responsibility of the owner, not the Association. Please remember to change the AC filter monthly. If the filter is not replaced, this may cause the unit to freeze.

Also, the drain pan and drain line must be inspected on a monthly basis as well. This is especially true in the upstairs units. Mold and algae will grow in the drain lines, eventually clogging these lines. This will cause the condensation water to overflow the drain pan and spill onto the floor of your unit. If you are in a second-floor unit, this water will drain into the downstairs unit damaging your neighbor's home and property.

In order to prevent this problem, it is recommended that you pour 2 (two) ounces of household bleach or 2-4 (two to four) ounces of white vinegar down the drain line every month as you change the filter. This will ensure uninterrupted usage of your AC unit, and help prevent costly damages to your home or your neighbor's home. Thank you.

Dogs Must Be Leashed

Per the Community's governing documents, animals are not allowed to roam free at any time. There are several dogs and cats that have been observed running freely throughout the community. Please be aware that this is also not allowed per Osceola County Ordinances.

Please keep your pets on a leash while walking them through the neighborhood. If you see a pet in the community without a leash, please contact Animal Control at 407-892-5292. Thank you.

Windows, Window Screens and Doors

Please remember that windows and window screens are the property of the unit owner and must be maintained. It has come to our attention that many of the windows are missing their screens or the screens are in very poor condition. These screens need to be replaced or repaired as soon as possible.

Next, when a window is busted it must be replaced within a few days of the glass breaking. Windows not repaired within one week of the damage occurring may be repaired by the Association, with the cost being charged to the owner's account. These costs are considered a unit assessment and have the same effect as any other unpaid assessment. All windows are to be repaired with a piece of glass, not plastic, Plexiglas or wood.

Finally, all doors are to be maintained by the owners. This

means the doors are to be painted by the owner. The owner must still obtain permission to paint, and they must use the approved color. If a door really needs to be painted, rest assured the Association will send a notice informing you of the situation. Thank you.

HURRICANE PREPAREDNESS PLAN

Supply Kit Checklist

Water

- One gallon of drinking water per person per day for at least three to seven days
- One gallon of water for each person per day for cooking and personal hygiene
- Don't forget water for your pets!

Ice

- Freeze water in zip-type freezer bags and two-liter soda jugs
- Fill coolers with ice. Ice can be used to preserve food once the power goes out

Food

- Non-perishable packaged or canned food to last at least three to seven days
- Ready-to-eat canned meats, fruits and vegetables:
 - Canned or boxed juice
 - Canned or boxed milk
 - Cereal
 - Soup
 - Peanut butter and jelly, granola bars, trail mix
 - Instant coffee or tea
 - Dried fruits and nuts
 - Bread, crackers and cookies
 - Raw Vegetables
 - Fresh fruit
 - Special food for babies and the elderly

For The Home

- Cooler for ice and food storage
- Flashlights with extra batteries or hand-crank flashlights
- Battery or solar powered lanterns
- Battery powered NOAA
- Weather radio with extra batteries or hand-crank radio
- Car charger for mobile phone
- Battery operated digital TV with car charger adapter
- Grill with extra propane, charcoal, or sterno (Outdoor Use Only)
- Matches in waterproof container or butane starter for grill
- Paper plates/bowls/cups, plastic eating utensils, napkins, paper towels, moist towelettes
- Manual can opener and bottle opener
- Cleaning supplies
- Non-scented liquid household chlorine bleach or water purification tablets
- Work gloves
- Duct tape
- Heavy-duty outdoor extension cords
- Waterproof tarps
- Plastic sheeting
- Rope
- Basic tool kit
- Corded phone

- Smoke detectors
- Carbon-monoxide detectors
- Two-way radio if power, terrestrial telephone and cell towers fail
- Fire extinguisher
- Waterproof container or resealable plastic bag to store important papers like insurance, medical, bank, or Social Security documents/numbers
- Cash (without power, credit cards are unusable)
- First Aid Kit
- Two weeks supply of prescription drugs
- Two weeks supply of vitamins
- Over the counter pain reliever
- Antibacterial hand soap
- Toilet paper
- Plastic garbage bags
- Mosquito repellent
- Sunscreen
- Toiletries/Hygiene items

Health Essentials

- Documentation, license
- Non-perishable food
- Medications
- Water

Your First Aid Kit

A first aid kit should be kept in the home and each automobile and should include:

- Sterile adhesive bandages
- Sterile gauze pads
- Hypoallergenic adhesive tape
- Triangular bandages (3)
- Sterile roller bandages, antibiotic ointment, scissors, tweezers, needle, moistened towelettes, antiseptic, thermometer, tongue blades (2)
- Tube of petroleum jelly or other lubricant
- Assorted sizes of safety pins
- Cleansing agent/soap
- Latex gloves (2 pairs)
- Sunscreen
- Bug repellent
- Aspirin or non-aspirin pain reliever, anti-diarrhea medication, antacid
- Bottled water and other fluids

 **HURRICANE PREPAREDNESS PLAN**

Hurricane Family Preparedness

- Hold a family meeting
- Discuss the hazards of hurricanes. Encourage children to talk about their fears and explain some of the things you'll be doing to keep everyone safe. Start a written list of things you'll need to take care of and encourage everyone in the family to contribute their ideas.
- Discuss whether you'll need to evacuate
- Determine whether you live in an evacuation zone and, if so, where you will go if an evacuation order is given. Going to a family or friend's house or hotel outside the evacuation area is your best choice. If you choose to go out of town, do so well in advance of the storm. Since shelters provide for only basic needs, this should be your choice of last resort.
- Ensure your assets are protected
- Inventory your home possessions and videotape or photograph items of value. Review your insurance policies to ensure you have adequate coverage.
- Assess your home for vulnerable areas
- Do a walk-through of your home and property to evaluate your roof, windows, garage door, landscaping, etc. and determine what actions you will take.
- Make a plan to protect your vehicles
- Decide where you will store or park your vehicle, boat or RV. Check your vehicle insurance policy and keep it in the same safe place as your homeowner's policy.
- Secure your home
- Decide what actions you will need to take to protect your home and your property (shutters, generator, trim trees), and to keep as comfortable as possible during recovery.
- Discuss whether anyone in your home is elderly or has special needs and, if so, make arrangements in advance to accommodate those needs.

 HURRICANE PREPAREDNESS PLAN

Hurricane Family Preparedness

- Determine how you will address your pet's needs and make a plan for your pet in case you have to evacuate. If appropriate, plan for large animals such as horses
- Gather your supplies
- Determine your family's food, water and medical needs and assemble your hurricane kit according to those needs (see sidebar for essential items to include)
- Notify others of your plan
- Let family or friends know what your hurricane plan is so they can check on you in the aftermath of the storm. Establish an out-of-town contact
- Plan ahead for the possibility of becoming separated from your family and friends, whether it is a personal emergency or a larger-scale disaster
- Start by designating a single, out-of-town contact that your family or household members can call, e-mail or text message should a disaster occur. If local phone service is overwhelmed, it may be easier to call outside the area. Your contact should be aware that they are your family's designated contact
- All of your loved ones should agree to call the out-of-town contact to report their whereabouts and welfare
- Regular contact with your designated person will help to keep everyone informed. After initial contact and depending on the circumstances, you might set a specific check-in time
- When telephone lines are busy, e-mails or text messages may go through when calls cannot
- Create an emergency contact list; include phone numbers and e-mail addresses for your designated out-of-town contact, loved ones, neighbors and other emergency numbers such as police, fire and your physician
- Make copies of the list for every family member and print a copy to keep by the phone and with your emergency supplies
- Make sure to secure outside structures and get all outside items and bring everything inside including patio chairs, grills potted plants and balcony items
