

The Villas at Shadow Bay

OCTOBER 2018 NEWSLETTER

Halloween Trick-or-Treating Guidelines

We look forward to a wonderful night of trick-or-treating tomorrow night in our community. Please use the follow guidelines for trick-or-treating within the community:

1. Please turn on your front porch light if you would like trick-or-treaters to visit your home. Keep your front porch light off if you are not participating.
2. Please be aware of trick-or-treaters as you drive through the neighborhood.
3. Please stay in groups while trick-or-treating and make sure you are visible to drivers. Flashlights are a good idea for this purpose or reflective clothing.
4. Parents please supervise your children and ensure that they stay safe. Always check your children's candy at the end of the evening to

ensure that it is safe for them to enjoy.

5. Please try to limit your trick-or-treating between the hours of 6-9 PM. Since this is a school/work night, we all need to get up as usual on Thursday morning.
6. Have fun and happy trick-or-treating!

Towing Company Location Change

Please be advised that our towing company, **Universal Towing and Recovery**, has moved from their previous location. The towing company's contact information is as follows: **Universal Towing and Recovery, 407-816-0102, 206 6th Street, Lot 300 Orlando, Florida 32824.**

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.villasatshadowbay.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Board of Directors

President: Fred Lewis
Treasurer/Secretary: Rebecca Kogele
Director: Rosie Furtado
Director: Patricia Sobotka

Board of Directors' Meetings

Held on the third Tuesday of every month at 7:00 PM at DWD Professional Management's office. Please RSVP if you would like to attend by contacting DWD.

Assessment Information - 2019

On Tuesday, October 16, 2018, the Board of Directors held their Annual Budget meeting for 2019. After much consideration, the Board voted to increase the monthly Assessment by \$10.00 next year. **This means your assessment will increase to \$210.0 per month for 2019.** You should receive your new coupon booklets in December from the Association's bank. If you have any questions or concerns, please feel free to contact the management office.

Procedure for Reporting Maintenance Issues

If you are renting your unit in the community, please be aware that **all maintenance issues should first be reported to your landlord or property management company.** Your landlord or property management representative should then contact the community management office to make arrangements for the repair.

If you are an owner in the community, please contact the community management office to report any maintenance concerns or issues. We will help you determine if the repair is your responsibility to correct or if it is the responsibility of the Association.

Finally, please remember that the community management office is not open over the weekend or during national holidays. If you have a maintenance emergency during a weekend or holiday, you may leave a message and the community management staff will contact you on the next business day.

By following these guidelines, you will greatly assist the staff in providing more efficient service. Thank you for your cooperation in this matter.

Parking Permits and Parking Regulations

If your vehicle does not have a proper parking permit for our community, you run the risk of your car being towed. Since November 1, 2011, all vehicles without a proper parking permit or a visitor's pass are to be towed **without warning** from the parking lots **at the owner's expense.**

Per the rules of your community, there are only two (2) parking spots per unit. Visitors are to use the designated spaces provided and they **MUST** place a visitor's pass on the rearview mirror. Visitors may park without a permit from 6 AM until 11 PM. Overnight visitors or any visitors staying after 11 PM must have the visitor's permit on their rearview mirror or they will be subject to towing. Visitor's permits may only be used by someone staying overnight, and not for more than a week. This means 7 days total, whether or not they are 7 consecutive days. Residents may NOT use a visitor's permit as a third, permanent parking permit.

If you have more than two cars, you may find additional parking by asking one of your neighbors if they have another parking spot available. Some

owners only have one car and they may "donate" a spot to you. These owners are under no obligation to do so. If an owner would like to donate one of their parking spaces to you, we must have their permission in writing. Please contact our office if you need more information. Please be aware that if you do not find another owner to donate a parking spot to you, you must remove the vehicle from the community's parking lot or be subject to towing.

All owners who rent their units must inform their tenants of the requirement to have these parking permits **BEFORE** the tenants move into the unit. Also, if you purchase a new vehicle, please use your visitor's permit temporarily until you can make arrangements with the management company to obtain a new parking permit. Parking permits are assigned to specific vehicles. **Therefore, do not transfer parking stickers to other vehicles.** You must obtain a new parking sticker for a new vehicle.

Permits must be affixed to the driver's side front or rear window using the adhesive on the sticker. They may not be taped or altered in any way.

Please remember that it is your responsibility to obtain the proper permits for your vehicles. This provides a protection for all homeowners and tenants. We want to keep our parking lots available for only those vehicles that are authorized.

If you need a parking permit, you may obtain the parking permits from our management office. The address is 9419 Tradeport Drive, Orlando, FL 32827. You will need your driver's license (for each vehicle), your vehicle registration (for each vehicle), and a copy of your lease if you are renting. Parking permits are always free.

In addition, please be aware that your car may also be towed if you do not follow the parking regulations. **The towing company will be patrolling**

the parking lots looking for the following types of vehicles in violation of the parking regulations:

- All commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows)
- Vehicles that do not have the proper parking permits. This includes cars using **inactive parking permits** (permits that have been designated as inactive since they belong to a previous resident or a car that was sold by a current resident) and **permits that are not affixed to the vehicle correctly** (permits that appear copied, taped, or altered in any way or permits that are covered in any way so that the permit number is not visible).
- Boats, or any other recreational vehicles
- Trailers
- Vehicles without license plates or with expired license plates
- Vehicles that are parked on the grass
- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space)
- Vehicles parked in front of and/or blocking fire hydrants
- Clearly disabled and inoperable vehicles that have not moved for 72 hours or more

Finally, if your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation**. The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations. If you do not have a parking permit or visitor's pass or if you violate any other parking rules, you will be towed **at your own expense and will not be**

reimbursed for any reason. The towing company's contact information is as follows: Universal Towing and Recovery, 407-816-0102.

Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time.** The State of Florida decided this for us! **Since there is not enough light per State guidelines, we must close the pool when the sun goes down.**

Several homeowners have contacted us to talk about the pool's hours of operation. They feel that they should be able to use the pool at hours that are more flexible. However, the Villas at Shadow Bay Condominium Association owns the pool, not the individual homeowners at Villas. Since the pool is not owned by individual homeowners, it is considered a commercial pool and the Association must abide by the State guidelines.

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, **you may NOT use the pool without a parent or guardian being present.** This rule will be strictly enforced when personnel are present in order to ensure the safety of the children in our community. Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area.

Also, please be advised that there are cameras located at the pool.

Management monitors these cameras daily and also performs inspections at night. The Association will pursue recuperating any costs associated with damage to the pool caused by the inappropriate use of the facilities. The police will also be called if you are found at the pool after the posted hours. This is considered trespassing even if you are a resident of the community. This is the law for the State of Florida, and it will be enforced for the protection of our community assets and the safety of our residents.

Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Porches and Patios

Porches and Patios for our residents are considered limited common areas, owned by the Association. Since these areas are Association property they are under the control of, and maintained by, the Association. However, even though it is a common area, a limited common area is limited to the use of the residents of the unit to which it is attached or next to.

The porches and patios are pressure washed annually. If your porch or patio becomes dirty due to heavy use by you or your tenant, it is up to you to clean it in between the annual washings. All upstairs porches and patios will be painted every 5-10 years or sooner if the Association deems it necessary to protect the wood.

Please be aware that the Association only allows one table, two chairs and up to four small potted plants in a porch or patio area. These restrictions apply to

all porches and patios whether they are located upstairs or downstairs.

The Association has noticed that some of these areas have been decorated by the owners or tenants. Also, some of the owners or tenants have started to enclose their downstairs areas. This is not allowed. These areas are Association property and the Association will enforce their rights. We are asking that you remove all decorations, excess plants, furniture, gates, fence panels, or any other items not mentioned above from these areas. The Association will be inspecting these areas to ensure compliance. If these items are not removed, the Association will remove and discard these items for you. Thank you for your cooperation and understanding with regards to this issue. If you have any questions or concerns, please contact the management office.

Use of Gas and Charcoal Portable Grills

Please be advised that the use of gas and charcoal grills in multi-family housing such as Villas is strictly regulated by the County and the Association. These grills may not be used in the units, in the courtyards of the buildings, in the parking areas, in the pool area, or on any of the porches or patios under any circumstances.

Their use is restricted to the open areas of the Association, at least 10 feet away from the buildings

or from any other flammable structure.

Finally, gas grills may not be stored within 10 feet of any building. Your cooperation regarding this matter for the safety of the community is greatly appreciated.

Monthly AC Filter Check Reminder

Please note that per your community's governing documents, the air conditioning units are the property of the unit owner. This means the maintenance of these units is the responsibility of the owner, not the Association. Please remember to change the AC filter monthly. If the filter is not replaced, this may cause the unit to freeze.

Also, the drain pan and drain line must be inspected on a monthly basis as well. This is especially true in the upstairs units. Mold and algae will grow in the drain lines, eventually clogging these lines. This will cause the condensation water to overflow the drain pan and spill onto the floor of your unit. If you are in a second-floor unit, this water will drain into the downstairs unit damaging your neighbor's home and property.

In order to prevent this problem, it is recommended that you pour 2 (two) ounces of household bleach or 2-4 (two to four) ounces of white vinegar down the drain line every month as you change the filter. This will ensure uninterrupted usage of your

AC unit, and help prevent costly damages to your home or your neighbor's home. Thank you.

Dogs Must Be Leashed

Per the Community's governing documents, animals are not allowed to roam free at any time. There are several dogs and cats that have been observed running freely throughout the community. Please be aware that this is also not allowed per Osceola County Ordinances. Please keep your pets on a leash while walking them through the neighborhood. If you see a pet in the community without a leash, please contact Animal Control at 407-892-5292. Thank you.

ORDINANCE #87-9
FINE \$500
407-742-8000 OPT. 2

Feral Animals

It has been brought to the attention of the Board that some of the residents are feeding the stray animals in the community. According to Osceola County Animal Control anyone who feeds these stray/feral animals is considered the owners of these animals and is responsible for them. Please be aware there are many issues associated with this.

First, the Association will consider these animals, including cats, to be the pets of whoever is feeding the animals. If these animals are on the common areas without a leash the owners of these animals will receive a \$100 per animal, per day fine to a maximum of \$1,000 per animal.

Next, all damage caused by these animals including cleaning costs to remove the urine smell and other pet wastes will be charged to the homeowner responsible for the animals. We thank you for your cooperation and understanding regarding this issue.

Windows, Window Screens and Doors

Please remember that windows and window screens are the property of the unit owner and must be maintained. It has come to our attention that many of the windows are missing their screens or the screens are in very poor condition. These screens need to be replaced or repaired as soon as possible.

Next, when a window is busted it must be replaced within a few days of the glass breaking. Windows not repaired within one week of the damage occurring may be repaired by the Association, with the cost being charged to the owner's account. These costs are considered a unit assessment and have the same effect as any other unpaid assessment. All windows are to be repaired with a piece of glass, not plastic, Plexiglas or wood.

Finally, all doors are to be maintained by the owners. This means the doors are to be painted by the owner. The owner must still obtain permission to paint, and they must use the approved color. If a door really needs to be painted, rest assured the Association will send a notice informing you of the situation. Thank you.

Secure Your Valuables

Please ensure your cars are locked at night, and that all valuables that do not need to be in your car are removed on a nightly basis. If you notice anyone suspicious within the community, please call the Kissimmee Police Department at (407) 846-3333. **The Kissimmee Police Department is the only organization charged with the protection of your property, and they are the only organization with the authority to approach.**
